Math-U-See Delta Teacher Kit (Complete Kit) Steven P. Demme

Focus: Single & Multiple Digit Division PREREQUISITE: The student should have completed the ALPHA, BETA, and GAMMA Curricula, or mastered addition, subtraction and multiplication. To begin your study of a new topic, watch the DVD to learn the concept yourself, and see how best to present the new material.

Have the students watch the video with you, if you think it would be helpful. The Teacher Manual provides written instructions, examples, and answer keys for each lesson. The instructions provide the written explanation for the new concept, and several examples illustrate the new concept. There are solutions in the back for the problems in the student material.
