Notes Left Behind Brooke Desserich, Keith Desserich

“Elena has left behind a story of resilience, hope and most of all, love. We can’t help but take her into our hearts, and carry the best of her into our own lives.”<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

—Jeffrey Zaslow, coauthor of *The Last Lecture*

Notes Left Behind by Brooke and Keith Desserich began as a journal they kept after their five-year-old daughter Elena was diagnosed with brain cancer and given just 165 days to live. As poignant and inspiring as Randy Pausch’s *The Last Lecture*, it is the story of the courage of a truly remarkable little girl who accomplished so much in so little time—and of her parents’ love and dedication to their child and their family. *New York Times* bestselling author James Patterson was profoundly moved by Elena’s beautiful life and *Notes Left Behind*, calling it, “a stunning story that teaches us how precious children, family, and life are, and that the sacrifices we make are worth it. I won’t forget the Desserich family, and neither will you.”
