Progress in Self Psychology, V. 6: The Realities of Transference: The Realities of Transference v. 6

A collection of thoughtful presentations on transference and countertransference highlights *The Realities of Transference*, Volume 6 in the Progress in Self Psychology series. The selfobject transferences receive special attention. Elsewhere in this volume, selfobject phenomena are examined in relation to the process of working through, the origins of ambition, the psychology of addiction, the psychodynamic consequences of AIDS, and creativity. An exploration of the selfobjects of the second half of life offers new insight into later development.
