The New Encyclopedia of Southern Culture: Volume 13: Gender: Gender v. 13

The New Encyclopedia of Southern Culture: Volume 13: Gender: Gender v. 13

This volume of *The New Encyclopedia of Southern Culture* reflects the dramatic increase in research on the topic of gender over the past thirty years, revealing that even the most familiar subjects take on new significance when viewed through the lens of gender. The wide range of entries explores how people have experienced, understood, and used concepts of womanhood and manhood in all sorts of obvious and subtle ways.

The volume features 113 articles, 65 of which are entirely new for this edition. Thematic articles address subjects such as sexuality, respectability, and paternalism and investigate the role of gender in broader subjects, including the civil rights movement, country music, and sports. Topical entries highlight individuals such as Oprah Winfrey, the Grimke sisters, and Dale Earnhardt, as well as historical events such as the capture of Jefferson Davis in a woman's dress, the Supreme Court's decision in *Loving v. Virginia*, and the Memphis sanitation workers' strike, with its slogan, "I AM A MAN." Bringing together scholarship on gender and the body, sexuality, labor, race, and politics, this volume offers new ways to view big questions in southern history and culture.
