Warfare (Medieval Realms) Peter Chrisp

This book takes an in-depth look at warfare in medieval times. You can find out about the major wars and the bloody battles fought in Europe and the Holy Lands. It describes who the great warriors were, and the weapons and tactics they used on the battlefield. It looks at how castles changed the way wars were fought, and at the many other transformations that took place in warfare in five hundred years of medieval living. Includes contemporary written evidence, colour photographs and maps, a timeline, glossary and index.
