Aborto, Saúde E Cidadania (Portuguese Edition)

Regina Maria Barbosa

Aborto, Saúde E Cidadania (Portuguese Edition) Regina Maria Barbosa

Neste livro são analisadas seis experiências nacionais - Argentina, Bolívia, Equador, Brasil, Venezuela e Colômbia - nas quais encontramos uma rica diversidade de significados em relação aos seguintes elementos: o esgotamento de um ciclo econômico marcado pela liberalização dos mercados, no contexto do chamado "Consenso de Washington"; a emergência de forças políticas e movimentos sociais cuja ação consegue combinar a crítica ao modelo dominante com a construção de alternativas de poder estatal; e a ascensão de governos preocupados com a revalorização do protagonismo do Estado frente ao Mercado, objetivando recuperar capacidades de gestão no âmbito interno - especialmente na promoção da equidade social - e externo, buscando afirmação regional no âmbito sul-americano e maior autonomia nas relações com os EUA.
