In the Wait: A Six-Week Study on Waiting Holly Holt

“Our lives often weave seamlessly in and out of these seasons. Breakthroughs, families, jobs, graduations, homes, and health may all be things you are desperately waiting for. Waits can be exciting, a little scary, moderately annoying, or painfully unbearable. We can all probably relate to a wait, whether now or in the past, that has been all-consuming, that takes our thoughts hostage and doesn’t allow us to think of anything else. Our prayer for this devotional is that we would be reminded of this important truth: God can use seasons of waiting for our growth and His glory.” In the Wait is a six-week study diving into the topic of what it means to wait on the Lord. It offers real stories of hope, biblical application, and action steps to make life happen even in the midst of waiting. The heart of this book is to encourage women in seasons of wait, to not give up, and to fight for full reliance on the Lord. in this study, you will learn • how to listen to God’s voice in this season • how to persevere when the waiting seems impossible • how to find community • how to discover joy during hardships • how to claim victory over your waiting season • how to have gratitude in the midst of it all
