Orwell en España (Spanish Edition) George Orwell

Orwell en España, que recoge los frutos de esta breve pero intensa experiencia, reúne por primera vez todo cuanto este autor escribió sobre la guerra civil: el libro homenaje a Cataluña, que hasta ahora no había sido publicado íntegramente en España, y todos los textos relativos a la contienda: artículos, cartas y reseñas de libros, editados y anotados con rigor por el estudioso de la obra de Orwell Peter Davison. El desencanto político, el rechazo a la manipulación de la historia, la denuncia del estalinismo y el anhelo de libertad que en adelante caracterizarían toda la obra de este autor excepcional cristalizaron en esos meses en que combatió el fascismo con un viejo mauser, como un miliciano más. Como afirma en el Prologo el profesor Miquel Berga, uno de los mayores especialistas españoles en Orwell, por fortuna ese miliciano era además un consumado escritor y vivió para contarlo. / This book brings Orwells short but intense experience during the Civil War in Spain. The book homage to Catalonia, until now had not been published in full in Spain, all texts, war-related articles, letters and book reviews. The political disenchantment, the rejection of the manipulation of history, the denunciation of Stalinism and the yearning for freedom, characterize the entire work of this exceptional soldier/author who fought fascism with an old Mauser, and survive to tell the story.
