This book sheds light on proper interpretation of the scriptures for application in our daily lives. Part 1 reveals the rules for interpretation - how do we read the Bible? It covers everything from using Hillel's rules to understanding the Messiah, the Torah, the Covenants, the Commandments, and Biblical Culture and History. Part 2 discusses application of the scriptures - how do we live biblically? True spirituality is found in the pages of the Bible: acceptance of the Messiah and adherence to the Torah, including food laws, holidays, and questions concerning tithing, circumcision, and more. This is your guide to living a godly life in a postmodern world!
