## **Audubon Wildflowers Calendar 2012** Workman Publishing

Gilding landscapes with their color and fragrance, wildflowers are a delight wherever they grow, from a mountain meadow dense with Indian Paintbrush and pale blue Lupine in the Paradise Valley in Mount Rainier National Park to a carpet of Mexican Gold Poppies. With a dozen portraits of North American wildflowers in their native habitats, gorgeously photographed in full color, *Wildflowers* is a showcase for some of nature's loveliest and most ephemeral creations.
