Group Play Therapy: A Dynamic Approach Daniel S. Sweeney, Jennifer Baggerly, Dee C. Ray

Group Play Therapy presents an updated look at an effective yet underutilized therapeutic intervention. More than just an approach to treating children, group play therapy is a life-span approach, undergirded by solid theory and, in this volume, taking wings through exciting techniques. Drawing on their experiences as clinicians and educators, the authors weave theory and technique together to create a valuable resource for both mental health practitioners and advanced students. Therapists and ultimately their clients will benefit from enhancing their understanding of group play therapy.
