Camponeses e agroindústria: transformação social e representação política na avicultura brasileira (Portuguese Edition) Bernardo Sorj, Malori J. Pompermayer, Odacir Luis Coradini

Este trabalho se divide em três partes. Na primeira, mostramos os componentes do complexo agroindustrial, com exceção dos produtores avícolas rurais. A análise mostra a articulação entre a instalação do complexo avícola com a importação de tecnologia dos países capitalistas avançados e a importância das multinacionais instaladas no país. Na segunda parte, analisamos as formas de relacionamento dos produtores rurais com as grandes empresas e setores do complexo agroindustrial. Finalmente, na terceira parte, estudamos as formas de representação política que caracterizam os diferentes setores integrantes do complexo avícola. [trecho retirado da introdução do livro]
