Manifesto per la democrazia economica (RX Castelvechi) (Italian Edition) Enrico Grazzini

Senza la partecipazione dei lavoratori alle scelte economiche, difficilmente l'Europa uscirà dalla recessione in cui versa, scrive Grazzini. In Germania con la Mitbestimmung (codecisione) i dipendenti possono eleggere i loro rappresentanti nel board delle maggiori imprese private e pubbliche. E in Italia? Il quadro è desolante: il dibattito sulla democrazia economica è ancora all'anno zero. Stretto tra conservatorismo liberista e nostalgie stataliste, il nostro Paese non riesce a scrollarsi di dosso il modello autoritario e burocratico di governo dell'impresa. Per responsabilità, anche, di una Sinistra che si accontenta di limitare i danni della crisi senza proporre una alternativa di sistema.
