Seven Decades of Mountain Climbing: A Flatlander's Journey to the Summit Rod Harris

Rod Harris climbed North America's peaks when the summit registers were still bare. He learned from European legends of mountaineering, saw death and danger, enjoyed Teton Tea Parties, camp life and the exhilaration of reaching summits in Colorado, Wyoming, Canada, Japan and Austria-and then he brought his friends and family along for the ride. In this epic account, Rod captures the passion and the thrill of his time spent in the mountains of this great planet.
