Awen, the Quest of the Celtic Mysteries Foreword by Gareth Knight Mike Harris

Awen is a Welsh word often translated as "inspiration." However, in its fullness it is untranslatable as a single word, comprising as it does a kind of irradiation of the soul from paradisaal origins. In the end, our descriptions and our definitions must be rendered in poetic terms. Hence the importance of the Bard. It was the Celtic bards who laid the foundation of inner wisdom that has come down to us as the Arthurian Tradition. It was Celtic bards who, leaving Wales and Cornwall for Brittany, and thence seeking service with Frankish lords, provided the tales that informed the Arthurian romancers of twelfth and thirteenth centuries. Chrétien de Troyes, Robert de Boron and others, wove them into tales of Merlin, Arthur, Lancelot and Guenevere, the Lady of the Lake and the Questors of the Grail. The pages you hold before you reveal the source of the hidden tradition as preserved for us in the Celtic folk soul. This, if not the only vehicle of inner wisdom, is nonetheless one of the most evocative.
