Introducing the Level 1 Series of Sair Linux and GNU Certification Study Guides. The Sair Linux and GNU Certification program provides IT professionals with a clear path for improving their Linux skills and knowledge base, and supplies employers with a means for ensuring the competency levels of their staff. The comprehensive program has been designed and developed by the industry-leading members of Sair Inc and its advisory board. The books in this four-level series concentrate on the areas of expertise that must be mastered to become a Linux Certified Administrator (LCA). Each one of these four books covers one of the four subject areas in the Level 1 section of the Certification program.
