Cape Cod: Illustrated Edition of the American Classic

Henry David Thoreau

Cape Cod: Illustrated Edition of the American Classic Henry David Thoreau

Originally published in 1865, Henry David Thoreau's Cape Cod is a wonderfully written, surprisingly funny account of nineteenth-century life on the Cape well before it became a major tourist attraction. To this day, many people consider it the best book ever written about Cape Cod. This new illustrated volume features the complete text of Thoreau's classic work as published in Houghton Mifflin's 1906 edition, the stunning photography of Scot Miller, and a foreword from the preeminent Thoreau biographer, Robert Richardson. Many of the lush color photographs show elements of the landscape that Thoreau would have seen: the great beach, imposing cliffs, sand dunes, beautiful sunrises and sunsets, beach grass, seaweed; others reflect the unique personality of Cape Cod and its people today, including local artists and architecture. The combination of Thoreau's timeless text and Miller's exquisitely reproduced color photographs make this an indispensable book for anyone who loves Thoreau's writing or Cape Cod.

The book is published in association with the Walden Woods Project, which is dedicated to preserving the lands Thoreau wrote about.
