## **Drupal 7** David Mercer

The approach of this book has been revised and updated for Drupal 7 based on comments from thousands of readers. The book takes a pragmatic look at the steps necessary to get a website up and running. Drawing on years of writing experience, David Mercer utilizes a friendly, engaging style that is both clear and concise—perfect for the Drupal newbie. This book is for people with little or no experience in website design, people who are not necessarily familiar with PHP, MySQL or HTML, and above all people with little to no experience in using Drupal.
