Life can be full of surprises...

Helen Decatur spent a lifetime setting goals—getting through college and law school, opening her own practice, becoming financially secure and establishing herself as one of the most highly respected matrimonial attorneys in the state of South Carolina. Achieving those goals was a breeze compared to the one she's faced with now.

The most driven—and cynical—of the Sweet Magnolias, Helen is forty-two, single and suddenly ready for the family she's put on the back burner for all these years. Unfortunately, having a child at her age comes with lots of complications, not the least of which is the absence of a serious relationship in her life.

But Helen's not the type of woman to wait around for fate to step in. Taking charge of her own destiny puts her at odds with her two best friends, sets sparks flying with a man who doesn't want a family, and leads her straight into the most unexpected complication of all...love.
