## **Jainism and the New Spirituality** Vastupal Parikh

Jainism and the New Spirituality is a sumptuous, 224-page exploration of an ancient and relatively little-known faith that is surprisingly relevant for the 21st century. Professor Parikh explains Jainism and links it to the newly emerging universal spirituality. He suggests that an understanding of new spirituality is essential to deal with current global issues. This is especially relevant to today's youth. Jainism and the New Spirituality offers explanations and assists its readers in redefining spirituality for themselves and their communities.

Jainism and the New Spirituality is valuable reading on spiritual values, world religions, the multi-faith movement, peace, ecology and social justice. It is also an excellent resource for students of Jainism – young and old.
