## **Kennedy & Nixon: The Rivalry that Shaped Postwar America** Chris Matthews

In this startling dual biography, Chris Matthews shows how the contest between the charismatic Kennedy and the talented yet haunted Nixon propelled America toward Vietnam and Watergate.

John F. Kennedy and Richard Nixon each dreamed of becoming the great young leader of their age. First as friends, then as bitter enemies, they were linked by a historic rivalry that changed both them and their country. Fresh, entertaining, and revealing, *Kennedy and Nixon* reveals that the early fondness between the two men—Kennedy, for example, told a trusted friend that if he didn't receive the Democratic nomination in 1960, he would vote for Nixon—degenerated into distrust and bitterness. Using White House tapes, this book exposes Richard Nixon's dread of a Kennedy "restoration" in 1972 drove the dark deeds of Watergate.
