Biology for Cambridge IGCSE Gareth Williams, Richard Fosbery, Janet Adams

Written by a team of experienced authors and examiners, *Biology for Cambridge IGCSE* First Edition is a comprehensive resource, endorsed by Cambridge International Examinations and matching specification 0610. It is ideal for international school students, content presented clearly and concisely to make it accessible to students with wide ranging backgrounds. Study tips throughout the text address common misconceptions and errors. Innovative 'lesson on a page' double page spread formats are used to present topics, providing all pertinent material and emphasising the key learning points. Each chapter has a section of exam-style questions, written by experienced examiners, which closely match papers 1, 2 and 3. There is also a section dedicated to the Alternative to Practical paper in each title. A revision checklist for each title covers the whole syllabus to ensure students know what they have covered.
