ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

ESSENTIALS OF ELECTRONIC HEALTH RECORDS, 1/e is a concise “learn by doing” text for everyone who must use an electronic health records system, including medical assistants, and other medical office staff. It provides a basic understanding of EHR tasks and functional benefits that is continuously reinforced by actual EHR experiences. Reflecting the latest EHR rules, regulations, and innovations, it contains over 40 hands-on guided and critical thinking exercises utilizing actual EHR software. This “essentials” guide focuses on core tasks, including using search and prompt, lists, forms, coding, and reimbursements. It concludes with a comprehensive student evaluation comprising a written exam and hands-on critical thinking exercises using both EHR software and the Internet.
