Little readers love lifting flaps to learn new things. Lift and Explore is a new series that allows them to do just that! These chunky, durable board books encourage kids to interact with the simple, friendly, and lively text time and time again. Each book focuses on a single topic kids love such as dinosaurs, oceans, animals, and rainforests. A simple glossary and a page of fun puzzles introduce kids to important nonfiction book features at an early age.

Now, even the littlest learners can explore the ocean and all it has to offer with *Lift and Explore: Oceans* by Deborah Murrell, illustrated by Peter Bull. This chunky board book, containing more than 20 kid-friendly sized flaps, is perfect for children to dive into and learn about ocean life. Perennial favorite aquatic topics like sharks, coral reefs, whales, and shipwrecks keep kids informed and entertained for hours.
