Why Do Bad Things Happen? Gordon Smith

The child who dies of a terminal illness, the mother of a young family killed by a drunk driver, the young boy who takes his own life because he is bullied at school, the children massacred when a crazed person takes a gun into their school. So many lives seem to end tragically - world renowned medium Gordon Smith looks at why.

In his work as a medium Gordon is constantly asked why a person had to die. Were they too good for this world? Did they go before their time? Why would a benevolent God let them suffer? Are they still suffering after death?

For Gordon his work with the Spirit world is dedicated to healing the living. *Why Do Bad Things Happen* will answer many of the questions that torment the living when death steals away someone they love. This inspirational, heart-felt book will give people a deeper understanding of the relationship between life and death and the journey we all take when we leave this life.
