The Poetry of Yunus Emre, A Turkish Sufi Poet (UC Publications in Modern Philology) Grace Martin Smith

The popularity of Yunus Emre, who is often referred to as the Turkish national poet, has endured for six centuries. Yunus is the most important representative of early Turkish mysticism; he can be considered the founder of Alevi-Bektasi literature, and his influence on later *tekke* poetry was enormous. His *ilahis* (hymns) have played an important role in sufi ceremonies. Grace Martin Smith's translation of Yunus's poetry will acquaint the non-Turkish reader with the art and thinking of one of Turkey's most significant poets and will be helpful to students of both modern and Ottoman Turkish and to all those interested in Islamic poetry and piety.
