Business Administration (Complete Course Texts) T. Lucey

Providing comprehensive coverage of business administration, this book contains numerous practical illustrations and examples of current practice in the UK, the USA, Japan and elsewhere. There are assignments for individual and group work, and selected examination questions drawn from recent professional examinations. Particular attention has been given to developments such as total quality management, the management of change, just-in-time systems, lean production, the flattening of organizations, and the impact of technology. An ELBS/LPBB edition is available.
