Crónica sobre una guerrilla. Nicaragua 1982-2007 (Investigación e ideas) (Spanish Edition) Gilles Bataillon

El trabajo de Gilles Bataillon acerca de la guerra civil que vivió la Moskitia nicaragüense entre 1981 y 1989 plantea una serie de preguntas fundamentales para la antropología política. ¿De qué manera se describe y se entiende una guerra civil en ausencia de archivos, cuando los principales actores del conflicto son, además, personajes políticos de primer orden? ¿Desde qué posición es posible interrogar a un testigo de hechos históricos recientes? ¿Hasta qué punto estos testigos están dispuestos a hablar de su experiencia y a qué tipo de reglas obedecen sus relatos? A partir de un largo trabajo de campo en la región iniciado en 1984, el autor examina las percepciones de actores y observadores en el momento en que estuvieron implicados en la guerra civil, y plantea que ésta favoreció un tipo de discurso que no admitió la reflexión individual. Las entrevistas realizadas a los combatientes y sus allegados —cien personas entre 1997 y 2007— permiten diferenciar lo accidental del proceso histórico que condujo a algunos individuos a comprometerse en la guerra civil. Se observa también la manera en que el trabajo de rememoración en torno a la guerra se alimentó de la tradición del -pietismo moravo, religión a la cual los miskitus se convirtieron desde - comienzos del siglo XX. Los relatos miskitus de la guerra en los años ochenta muestran la manera en que el pluralismo protestante fue asumido por ellos.
