Girl in Reverse Barbara Stuber

Being adopted isn't easy—especially when you're seen as a national enemy. A teen seeks the roots of her identity in this stirring novel from the acclaimed author of *Crossing the Tracks*.

When Lily was three, her mother put her up for adoption, then disappeared without a trace. Or so Lily was told. Lily grew up in her new family and tried to forget her past. But with the Korean War raging and the fear of “Commies” everywhere, Lily’s Asian heritage makes her a target. She is sick of the racism she faces, a fact her adoptive parents won’t take seriously. For Lily, war is everywhere—the dinner table, the halls at school, and especially within her own skin.

Then her brainy little brother, Ralph, finds a box containing a baffling jumble of broken antiques—clues to her past left by her “Gone Mom.” Lily and Ralph attempt to match these fragments with rare Chinese artifacts at the art museum, where she encounters the artistic genius Elliot James. Elliot attracts and infuriates Lily—especially when he calls their first kiss “undimensional.” With the help of Ralph and Elliot, will Lily summon the courage to confront her own remarkable creation story?

A poignantly beautiful novel, *Girl in Reverse* celebrates “a remarkable journey of self-discovery, inner resilience, and the fragile, surprising, and exquisite complexity of family” (*Publishers Weekly*, starred review).
