La Borsa (Farsi un'idea) (Italian Edition)

Francesco Cesarini, Paolo Gualtieri

La Borsa (Farsi un'idea) (Italian Edition) Francesco Cesarini, Paolo Gualtieri
Frequentemente al centro dell'attenzione dei media, la Borsa rimane per molti una realtà circondata da un alone di mistero, sia nei momenti di euforia speculativa, quando sembra che tutti possano facilmente guadagnare, sia nei momenti di ribasso, quando anche gli investitori più accorti sembrano essere stati vittime di una bolla speculativa e per tutti diventa difficile dare fiducia ai mercati finanziari; tanto più oggi che i mercati vanno acquistando dimensione internazionale e ricercando forme di stretta integrazione. Questo libro, giunto alla terza edizione, spiega in maniera competente la genesi e l'evoluzione delle Borse, le regole che le governano, le caratteristiche degli strumenti finanziari, le tecniche di negoziazione e il ruolo degli intermediari, chiarendo anche quali precauzioni l'investitore deve adottare sia nella scelta degli strumenti finanziari sia nella gestione del proprio portafoglio. Benché sia talora influenzata da fattori psicologici di massa o da comportamenti irrazionali, la Borsa svolge un'importante funzione per l'economia di un paese: conoscere vantaggi e rischi dei mercati finanziari non è più cosa che riguardi solo le grandi società e le persone facoltose, ma anche il comune cittadino.
