Life-transforming Truth William E. Payne

The body looks healthy on the outside, but inside a sickness has set in. With the line between truth and error blurred, theological distinctives considered inconsequential, and the pulpit becoming the focal point of a commitment to entertainment rather than the faithful ministry of the Word of God, postmodern evangelicalism is suffering from theological anemia. In spite of this weakening state, a strengthening cure is available. In *Life transforming truth: an introduction to the doctrines of grace*, William E. Payne has provided the mega-vitamins so needed today. With a thoroughly biblical approach coupled with clarity of thought and expression, *Life-transforming truth* is the perfect primer for a weak and ailing Christian church. Explaining and amplifying "the doctrines of grace with the grace of the doctrines," Pastor Payne provides answers to the profound questions of those struggling with the wonderful truth of God's sovereign grace while strengthening and bringing a deeper understanding to those already embracing these God-honouring doctrines.
