Based on the Parable of the Hidden Treasure and the Pearl in Matt. 13:44-45 Princess Hope finds a locked golden chest in an empty field. The evil land owner comes and tells her in “not so polite terms” to get off his land, not realizing she is the princess! The golden chest is on his land and if she wants it, she will have to buy all of his land just to get the chest. Determined to get the treasure in the chest, she sells all the “things” most precious to her at a Courtyard Sale in the castle. Once she has sold everything, she is astonished to learn what she has sacrificed everything for! With the help of her father, she is able to understand what the real treasure is.
