In the Diary of a Side Chick (Part 5), Desirae is really feeling herself now that she has had her twin boys, James and Titan. She realized the power she has between her legs and on her backside when she wants to make Tron realize what he's missing out on. After several disrespectful episodes between her and Tron, she knows that she has to make a statement. In doing such, Desirae will not only get involved with a coworker, but she will also wind up paying the ultimate price – the price that all side chicks eventually pay when they mess around with the wrong man.
