## The Grass Harp (Vintage International) Truman Capote

Set on the outskirts of a small Southern town, *The Grass Harp* tells the story of three endearing misfits—an orphaned boy and two whimsical old ladies—who one day take up residence in a tree house. As they pass sweet yet hazardous hours in a china tree, *The Grass Harp* manages to convey all the pleasures and responsibilities of freedom. But most of all it teaches us about the sacredness of love, “that love is a chain of love, as nature is a chain of life.”

This volume also includes Capote’s *A Tree of Night and Other Stories*, which the *Washington Post* called “unobtrusively beautiful . . . a superlative book.”
