When Sam Force goes to Egypt to spend the summer with his uncle Jasper, he's ready for the usual vacation filled with museums and lessons about the pharaohs and ancient gods. Instead, Sam arrives at the airport and learns that his uncle is missing and wanted by the police.

After narrowly escaping his own arrest, Sam sets off to find his uncle using the series of clues that Jasper left behind. But a group of mysterious men are hot on his trail, and Sam knows they're willing to do whatever it takes to track down Jasper and whatever Jasper was looking for.

Now all Sam has to do is find it first.

With the help of his new friends Hadi and Mary, and by using the knowledge of ancient Egyptian history and culture that he once hated, Sam makes his way across Egypt determined to find his uncle. And if he does, if he finds Jasper before it's too late, he may also uncover the secret of the Iron Tomb...a secret that could change Sam's life forever.
