Steven V. Mazie

Israel's Higher Law: Religion and Liberal Democracy in the Jewish State Steven V. Mazie

In *Israel's Higher Law*, Steven V. Mazie draws on the voices of Israeli citizens to shed new light on the relationship between liberal democracy and religion. By analyzing Israelis' perspectives on a number of divisive issues—including Jewish state symbols, marriage law, public Sabbath observance and funding for religious education—Mazie identifies a rift between Israeli and American understandings of 'separation of religion and state' and a gulf between Jewish and Arab citizens' visions for Israel's religion-state arrangement. Mazie's compelling study offers more valuable insight into these dilemmas than any publication to date and proposes new guidelines for resolving them. *Israel's Higher Law* is the definitive work on the tensions between religion and democracy in Israel. It is a must-read for anyone interested in politics and Jewish studies.
