Medical Error: Prescription for Trouble Series #2 Richard L. Mabry

Dr. Anna McIntyre's life was going along just fine until someone else started living it. Her patient died because of an identity mix-up, her medical career is in jeopardy because of forged prescriptions, and her credit is in ruins. She thought things couldn't get worse, but that was before she opened the envelope and saw a positive HIV test with her name on it.

Her allies are two men who are also competing for her affection. Dr. Nick Valentine is a cynic who carries a load of guilt. Attorney Ross Donovan is a recovering alcoholic. The deeper Anna digs to discover who's behind the identity thefts, the higher the stakes. Finally, when her life is on the line, Anna finds that her determination to clear her name might have been a prescription for trouble.
