**Valentín Trujillo. Una vida en la música (Spanish Edition)** Darío Osse

Este es sin lugar a dudas un justo y merecido reconocimiento de la SCD al maestro Valentín Trujillo, a sus ocho décadas de éxitos como persona, profesor, director y virtuoso intérprete. Alguien que encontró su vocación a los tres años. Un amor a primera vista. Un amor inseparable. Una simbiosis perfecta y misteriosa entre su existencia humana y un talento extraordinario. Esta pasión irrefrenable, irresistible, hace que cuando se instala frente a su inseparable piano se le vea seguro, cómodo, mágicamente conectado con su más profunda vocación. Esas 88 teclas de ébano y marfil se fusionan con sus manos, y sus dedos bailan sobre ellas tocando, acariciando, con cariño y devoción, y van apareciendo los acordes, las melodías, las armonías y contrapuntos, con una habilidad que sin duda le nace del alma.
