El arte de inventarse profesiones (Gestión del conocimiento) (Spanish Edition) Sergio Bulat Barreiro

Destacar en un mundo laboral en crisis.

Un libro inspirador para ayuda a enfrentar los cambios laborales que nos depara el futuro.

Ejemplos e ideas prácticas para trabajadores de cualquier edad y nivel.

¿Para qué inventarse una profesión habiendo tantas otras disponibles? Simplemente, porque será una de las pocas estrategias para destacarse laboralmente en el futuro, y esto sirve tanto para jóvenes que están comenzando su camino como para profesionales en activo, o para jubilados que quieran o tengan que seguir trabajando.

Ya ha quedado lejano para la mayoría la posibilidad de entrar a trabajar en una empresa de joven y terminar jubilándose en ella 35 o 40 años más tarde. Además, contar con uno o varios títulos profesionales no garantizan nada por sí mismos.

Se está comenzando a percibir a toda una serie de personas que han decidido aprovechar las oportunidades que los cambios brindan y encuentran ocupaciones, especializaciones o profesiones en las que son únicas. Al buscar algo que las destaque y diferencie de las demás, inventan sus propias profesiones y así desarrollan más eficientemente sus carreras.

El arte de inventarse profesiones es un libro que busca inspirar al trabajador, por cuenta propia o ajena, para que esté atento a los cambios del entorno laboral y poder aprovecharlos, y lo hace a través de ejemplos e ideas prácticas.
