The Morgenstern Project (Consortium Thriller) David Khara

When you kill a legend, it becomes inspiration, and you can't kill inspiration. Jeremy Corbin and Jacqueline Walls lead a calm life in a New Jersey suburb, when one day everything changes. Eytan Morgenstern returns to save them, and this improbably team must take on the Consortium, leading them on an epic journey from London to Tel-Aviv, from the Polish forests to Manhattan high-rises, from the shameful past to the threatening future. After a lifetime of bringing Nazi war criminals to justice, the Mossad operative is once again fighting those who wish to study his superhuman body. The self-sacrificing secret agent must rely on the help of his friends to finally free himself of the physical and emotional scars of his past.
