¿Alguien ha visto a Larry? (Spanish Edition) Gee Beaumont

Larry era una estrella del surf de los años setenta que llevaba una vida de excesos hasta que desapareció misteriosamente a mediados de aquella década. Durante mucho tiempo, nadie supo de su paradero, hasta que años más tarde, volvieron a tenerse noticias suyas. Si no fuera porque estamos ante un relato de ficción, ésta podría haber sido la historia de su extraña desaparición. No busquen entre estas páginas parecidos razonables, personas conocidas o lugares emblemáticos. No tienen por qué existir. Nada más alejado de la realidad ni más inverosímil. Es totalmente imposible que los caminos de una mítica estrella del rock and roll o de uno de los directores de cine independiente más admirados a nivel mundial se cruzaran con el de Larry en una absurda, imprevisible y desdichada cruzada de final incierto.
