The American Way of Poverty: How the Other Half Still Lives

Sasha Abramsky

The American Way of Poverty: How the Other Half Still Lives Sasha Abramsky
Selected as A Notable Book of the Year by *The New York Times Book Review*

Fifty years after Michael Harrington published his groundbreaking book *The Other America*, in which he chronicled the lives of people excluded from the Age of Affluence, poverty in America is back with a vengeance. It is made up of both the long-term chronically poor and new working poor—the tens of millions of victims of a broken economy and an ever more dysfunctional political system. In many ways, for the majority of Americans, financial insecurity has become the new norm.

The American Way of Poverty shines a light on this travesty. Sasha Abramsky brings the effects of economic inequality out of the shadows and, ultimately, suggests ways for moving toward a fairer and more equitable social contract. Exploring everything from housing policy to wage protections and affordable higher education, Abramsky lays out a panoramic blueprint for a reinvigorated political process that, in turn, will pave the way for a renewed War on Poverty.

It is, Harrington believed, a moral outrage that in a country as wealthy as America, so many people could be so poor. Written in the wake of the 2008 financial collapse, in an era of grotesque economic extremes, *The American Way of Poverty* brings that same powerful indignation to the topic.
