Imaging the Journey-- Of Contemplation, Meditation, Reflection, and Adventure: Mark C. Mattes; Photography Ronald Darge Mark C. Mattes

The authors of this magnificent sensory journey challenge us to see, to observe, and then to reflect on the messages found all around us, in nature as well as in the activities and creations of fellow human beings. In our journey through these images and writings see God's presence in his abundant creation. We see life's journey not as a self-fulfilling voyage, but as a pilgrimage in honor to God, service to others, and enjoyment of God's good creation. The creators of this full-color volume invite us to stand in awe of God's great creative power and therefore remain faithful to God in our journey through life.

As an artist, Pastor Ronald Darge presents images that challenge the reader to stop, pay attention, to search for meaning.

Dr. Mark Mattes' writings provide a more traditional reflection on God's creative presence in the world.
