Following a death-defying escape from the hands of a criminal overlord, young PI Travis Delaney thinks he might finally be getting closer to finding out who killed his parents, and why. But things are about to get a whole lot more deadly . . .

One moment Travis is trapped in an armed face-off in the offices of Delaney & Co, private investigators. The next terrorists have stormed the building and he's been abducted. Kept captive alongside Winston, the rogue security officer who Travis believes is responsible for his parents' death, Travis is quickly plagued by more questions than answers.

As the truth begins to emerge, Travis is faced with the ultimate dilemma: how do you choose between saving your own life or saving the life of someone you love?
