The Bible says, "... he that winneth souls is wise" (Proverbs 11:30). The question is - how do you win souls? One of the greatest sins in the modern Church is the sin of Omission. We know the Bible tells us to "Go out and preach the Gospel." However, we are simply failing to obey the Great Commission; we are not reaching the lost with the Good News. This fact is evident when any group of Christians is asked, how many of you have ever led a person to Jesus Christ? SOUL WINNING 101 gives you the insights to build your confidence and the tools to achieve results. This book takes the anxiety away by answering common questions before they arise and coaching individuals away from frequent pitfalls into which many have fallen. The wisdom and knowledge conveyed in this book creates an iron-clad defense for common questions and general false misconceptions held by saints and sinners alike. In this powerful book, the scriptures, principles, and doctrine of winning souls are coupled with experience and common sense, producing an easy-to-read and follow road map to help you win your loved ones, friends and neighbors to Jesus Christ. No guess work, just practical information and directions will help you become an Ambassador for the Kingdom of God. Fifteen of the seventeen chapters ask and answer common questions about soul winning such as: Where Do I Start? What Do I Need To Start? When Should I Start? What Are The Obstacles? What's The Best Plan? Jesus says, "...Follow me, and I will make you fishers of men" (Matthew 4:19a). If you have ever wanted to lead others to Christ but had no clue how to start, this book is for you.
