The African Slave Trade

Basil Davidson

The African Slave Trade Basil Davidson

Basil Davidson states that by examining three important areas of Africa in the history of slavery 'against a general background of their time and circumstance' he was taking 'a fresh look at the oversea slave trade, the steady year-by-year export of African labour to the West Indies and the Americas that marked the greatest and most fateful migration - forced migration - in the history of man.' BR> North America: Times/Random House
