Los inadaptados de Tim Burton (Ensayo nº 467) (Spanish Edition) Javier Figuera Espadas

Tim Burton es uno de los cineastas más insólitos del cine actual. Los protagonistas de sus películas son desarraigados, introvertidos, melancólicos, outsiders, viven una dualidad existencial entre su mundo interior y la realidad exterior. Sus personajes reflejan las experiencias del director durante su infancia, adolescencia y también a lo largo de su vida adulta, especialmente en el ámbito profesional. De pequeño, Burton vivió aislado, encerrado en su habitación, donde veía películas de terror y dibujaba seres monstruosos. De mayor, él siempre se ha considerado un director ajeno a la industria de Hollywood: forma parte de ese entramado cinematográfico pero se siente extraño en él. El libro que ahora tienes en tus manos estudia el cine de Tim Burton desde la perspectiva de su outsider protagonista, atendiendo especialmente a sus películas más emblemáticas y personales.
