Zoe Logan has always believed that those she loves will always leave her. It's why she fights so hard against anyone getting close, but when sexy defense Gavin Ferrara zeroes in on her, she finds herself falling hard and exploring the hidden parts of herself that he brings out in her.

Gavin's always trusted that playing hockey is the most important thing to him. But when a strange encounter from months ago leads to more between him and the local bar owner's daughter, he's torn between what he wants and what's best.
