- 50 original mandala illustrations
- Single-sided printing
- Easy difficulty level

If you love to colour mandalas, but want designs that aren't very complex, *Simple Mandalas* is the book for you! This book has 50 original mandala colouring pages, which have been designed with large spaces and not too many details. This makes the book perfect for beginners, as well as for anybody who just wants to relax with easy mandala images that won't take too long to complete.

The images are printed single-sided, so you can color with markers, as well as pencils and other media. As with most coloring books, some types of marker may bleed through slightly. To avoid damage to the image underneath, it's helpful to place a piece of paper under the image you're coloring. You'll find two blank pages at the back of the book for this purpose.

*Simple Mandalas* is also available in a mini travel size version, measuring 5.25 x 8 inches. You might also be interested in my other book *Easy Mandalas*, which has images that are slightly more detailed, but still easy to colour.
