## **Hacia una civilizacion global de Amor y Tolerancia (Spanish Edition)** M. Fethullah Gulen

This book touches on certain dynamics regarding the theoretical and cultural basis of the model Fethullah Gulen has developed based on dialogue, tolerance, concurrence among different groups that come from different religions, cultures, and civilizations. Gulen's model focuses on human beings, those who surround all their world with thought and action, and who are directed toward love for God and for creation.

Este libro representa un resumen de los escritos y discursos de Gulen y dibuja una imagen detallada de su pensamiento. Gulen promueve el establecimiento del dialogo, la tolerancia y la armonía entre las religiones, culturas y civilizaciones y renuncia a todas las consideraciones ideológicas. A través de sus palabras y acciones anima a los musulmanes a que sean representantes y testigos de la misericordia de Dios universal e invita a los no musulmanes a ir más allá de los prejuicios, las sospechas y las verdades a medias a fin de lograr una comprensión de lo que es el Islam en realidad.
